Wednesday, June 24, 2020

Chairman Bumgarner called the meeting to order at 8:00 a.m.

Director Jones moved, and Director O'Hara seconded the motion to approve the tentative agenda. The motion passed unanimously.

Review of February 27-28, 2020 Meeting Minutes

Chairman Bumgarner presented the minutes of the Budget Board Meeting.

Director Jones moved, and Director O'Hara seconded the motion to approve the minutes. The motion passed unanimously.

Crop Update

Director Jones – Crops were late getting in the ground but looks good, had some hail up north.

Director Conover – Good crop had good rain but getting grasshoppers.

Director Cederberg – Crops look good – lots of grain moving.

Director O'Hara – Good Crop, lots of water.

Chairman Bumgarner – 7" of rain since June 1st.

Special Guest: Mike Miller – Washington Genetics

Washington Genetics takes care of all WA new wheat seed releases, all are public releases. They work with the University and seed dealers.

Montana State University Update

Dr. Bajwa explained that the University was able to stay open for research purposes and working on a cure for Covid-19. The field days will be virtual this year, there is a

hiring freeze on for now. When the legislative session resumes MSU will be asking for a capital campaign for the Research Stations.

Department of Agriculture

Director Thomas went over some of the Cares Act funding for agriculture. Most of the staff is working from home and taking turns in the office.

National Barley Improvement Committee

Director O'Hara attended the National Barley Improvement Committee in Washington DC, they talked about the problems with funding barley and how barley is dependent on public funding.

Producer Tour

Sam and Director Cederberg thought the trip went well and they all learned a lot.

Executive Vice President Update

EVP Marn talked about the Constellation Trade Team that visited in March. It went great and we were able to set up meeting for them with different buyers, they were happy.

National Barley Growers put a letter together expressing concern that barley was not included in the Covid-19 relief package from the government.

Cort Jensen – Legal Counsel

Cort gave a brief background on plant patent protection which is on a complaint basis. He also talked about Certified Seed Only (CSO).

Financial Update

EVP Marn gave the financial update; it has been a good year so far. Sam Schmidt has agreed to serve as the Industry Representative for the Committee.

Doug Holen – Montana Foundation Seed Program

Doug told the Board that the money they make from the foundation seed program gets reinvested back into the program.

Daniel Juliano – MSU Tech Transfer

Daniel showed a slide show on how his office works. They do mostly public releases and some private releases. Private release fees will be increased in 2021.

Brad Erker – Colorado Wheat

Brad explained how their breeding program is run in Colorado.

Keith Kennedy – Wyoming Wheat

Keith talked about how they started their foundation in their state.

Approval of Staff and Director Travel

All travel has been suspended for now, most meeting have gone virtual.
